Subject: Division Directive to Reclaim, Jon Young, Torrey Buff Quarry, S/055/0012, Wayne County, Utah

Dear Mr. Young:

The Division of Oil, Gas and Mining requires that the Torrey Buff Quarry, S/055/0012, be reclaimed. Regrading and seeding must be completed by December 31, 2011. Now is the ideal time to conduct reclamation because seeding should be done in the late fall.

The Division was notified in a letter dated October 3, 2011, from the School and Institutional Trust Lands Administration (SITLA) that your lease has expired. If you have questions about the lease, please contact the Trust Lands Administration.

Inspector Wayne Western will be glad to answer questions about reclamation procedures. He can be reached at 801-538-5263 or by e mail at waynewestern@utah.gov. Other questions about this letter may be directed to me at 801-538-5261 or by e mail at paulbaker@utah.gov. Thank you for your cooperation.

Sincerely,

Paul B. Baker
